SUMMARY

Results-driven Developer with over 3.4 years of experience specializing in building scalable, high-performance web applications. Proficient in Vue.js and Nuxt.js, with strong expertise across React.js, TypeScript, and Firebase. Recognized for maintaining clean architecture, delivering robust solutions in fast-paced Agile environments, and utilizing modern project management tools to streamline engineering workflows.

EDUCATION

Jansons Institute of Technology (Anna University)

Coimbatore

Jun 2018- May 2022

B.E. Computer Science, CGPA: 7.8

EXPERIENCE

Span Technology Services Pvt Ltd

Feb 2023 - Jun 2026

Software Engineer Coimbatore

- Developed high-performance and scalable web applications using Vue.js, Nuxt.js, Vue 2, Vue 3, JavaScript, TypeScript, Vite, Vike, Vue Router, Vuex, Pinia, Options API, Composition API, environment variables, and REST API integrations.
- Migrated applications from Vue 2 and Nuxt 2 using JavaScript and the Options API to Vue 3 with the Composition API and TypeScript, improving performance, maintainability, and type safety.
- Built reusable Vue components, composables, utility functions, and Nuxt modules, while implementing features such as sign-in, sign-up, 9-dot menus, header and footer navigation, and application redirections.
- Integrated secure authentication and Single Sign-On (SSO) solutions using Firebase Authentication, Google, Facebook, Apple, Azure AD, Okta, SAML, FingerprintJS, and OIDC to provide seamless and secure cross-platform access.
- Optimized application performance through lazy loading, code splitting, TypeScript migration, and efficient state management with Vuex and Pinia, while collaborating with cross-functional teams and mentoring junior developers.

Zen N Zeal

March 2022 - Jan 2023

Web Development Intern Coimbatore

- Completed a 9-month internship building responsive websites using HTML, CSS, Bootstrap, and WordPress.
- Developed and customized WordPress themes and pages to meet client requirements and branding needs.
- Built responsive, cross-browser-compatible layouts using Bootstrap, strengthening core front-end fundamentals.

AWARDS

- Shine Star Award — recognized for outstanding contribution and performance.
- Spot Award — recognized for exceptional impact on a project.
